Zero Hunger, about the devastating and escalating hunger crisis in Ethiopia. Filmed in Tigray, featuring an original in-depth interview with Bob Geldof - Zero Hunger powerfully explores the question 'can there be a solution to world hunger?' This special documentary shows how a deadly combination of war, poverty and drought has resulted in the threat of a new famine. In the years since Live Aid moved hearts and minds to help people in this region, what should our response be and what will it take to prevent the next avoidable disaster?
